

Wed. 29. June. 2016. TC. Ak. H. Dave. S. Steve. B.
 5.10pm. Te-office. Rami. Bladi. LB. SPe

Atk outline.

Mark is ~~Bedside~~ nurse (Rami)

Steve. B. Some Pns reports but not all. Inconclusive.
 Some not satisfactory giving answers
 Inconsistent DATIX reports.

'Near misses' not a term used by Steve B.

Difficult in Neo-notes.

Unexplained collapses - perhaps shd DATIX

Lot of complexity around reporting - tricky to get oversight.

Ruth sd. - look at data in a grid fashion to look
 at all, not just clinical. No kit/beds issues.

Microbiology? nature of neo-natal.

Steve. B. Outlined one panic incident/birth

Pseudo-moss growing from legs but not
 incident in incidents.

Looked at clinical picture & more (environmental)
 Inconclusive.

Emails. → staffing

Steve B. Met July 2015. 3 cases common theme
 was nurse. Discussed at thematic with
 Liverpool & May 2016.

Rami. entirely subjective.

Staff member - almost always Nurse in charge
 Babies were stable & then deteriorated.

Why always this nurse?

Babies were unwell but getting better

Babies not getting oxygen - then crash.

Babies did not respond as they should

Steve. B. Disturbing thing. - twin survived
 & got better in Amore Park.

Babies coming back to COCH. Babies deteriorate

Nurse 7 out of 9 bet 12 noon & 4pm.
 - vein in change room

Step 2 More than just an association with this nurse
Lavi. How? Popular. air embolism? Crystal ball
Unquestionably got smelt in going on or was
But what?

Looked at equipment! Looked clinical matters.
Saladi. Pre-term babies 2 steps forward & 1 step back
Don't suddenly deteriorate.

These babies are relatively stable.

Sudden deterioration & collapse

Twins. Previously 1 mother & then both together.

& realise more going on.

Steve B. 3 sets of twins 1 triplet. good

SR. airline.

TC. Why did we call the Police?

If twins & triplets why did the Trust take them on?

Can we explore more w. Police?

Steve B. Can we move member of staff?

Lavi. Why not earlier? Reviews. ^{no} should then be Police

TC. New info babies transferred back & then deteriorated

LB. Unsafe unit. agreed.

TC. Suspicious - why? if potentially criminal

Lavi. Police - what if. no conclusion.

LB. Activity has changed - Increase

HT Nursing review? Rev. Comprehensive review?

Draft proposed. College. Multi-faceted

Nursing & Doctors.

TC. Issues cannot explain.

Is this suspicious criminal or are we missing ^{some} thing
causal link bet. nurse.

Dr. Horsness. no longer working here

Outcome. End of maternity jobster.

based on investigation that is
inconclusive.
